Contreras, Peter has shared a OneDrive for Business file with you. To view it, click the link below.

EPA Umatlla ltr to ODA OHA ODEQ_FINAL 06 11 R10 clean.docx

Lauris/all: I made two grammatical edits (noted in redline) & renamed the file to eliminate Susan Bodine's initials. Attached is a one-drive if there are other edits (to consolidate).

I defer to Jeff to review revised sentence on estimate of universe of wells, as that information came from him.

When the RA forwards to HQ, I know Carol King has asked to be notified to facilitate OECA review, and Pooja Parikh has been our POC in OGC.

I have reworked the data summary paragraph to try to make our summary and points more clear. Please take another look at the overall letter and that paragraph in particular to see if this is accurate and works.

Any typos or grammar issue catches could also be caught in your review.

Let me know and I'll forward to Chris later today for transmittal to HQ.
